GBS Musicians can enhance your private event from small cocktail parties to the most formal corporate function, and everything in between.

Our outstanding professional musicians are available to perform individually or in small ensembles for private parties, weddings, corporate functions, concerts or any social event. In addition, our musicians can give lectures/demonstrations for civic organizations and provide entertaining educational programs for schools or private parties.

We can provide anything from a solo harp to a full orchestra. Maybe a string trio is what you're looking for, or maybe a bassoon quartet. Get in touch with us and we'll help you decide what would be perfect for your event.

Please contact GBS Orchestra Personnel Manager T.D. Ellis at MSource@aol.com or call 203-249-5517 to discuss how MUSICIANS TO GO can provide the perfect musical enhancement for your next special event.
