To our eSubscribers:

In 2021-22, eSubscriptions will still be available, but there are some changes.

GBS is committed to recording our work so that it can be used in schools to educate and enlighten young people. We also realize, after last year, that eSubscriptions are a “lifeline” to our subscribers and friends in those times when we cannot be together in person – and none of us knows when that may happen again.

So, we will continue to record, and make the recordings available **free to schools**, especially in our hometown of Bridgeport.

We will offer recorded concerts **at no charge** to subscribers to the live series in 2021-22, so that they may choose for themselves, depending on the circumstances prevailing, whether or not it is a good time for them to come to a live concert.

We also want to provide these recordings to those of our subscribers who do not yet feel comfortable about coming out to the concert hall. For those of you who know the value recorded concerts this season, we ask that you make a tax-deductible contribution our **Video Outreach Campaign** to help us defray recording costs, which exceed \$5,000 per concert.

For a dedicated donation of \$94, you can help us to produce our videos, and as a bonus, receive a complimentary eSubscription for the season.

Contact (203)576-0263 or mark@GBS.org to make your donation.

This year, concerts will be recorded on the posted concert dates, and will be available approximately three weeks after the concert dates.

Our mission is to create music, and GBS feels our best path forward is to offer both live and recorded music, at least until the pandemic has fully passed.
